*Where Q.U.A.L.I.T.Y. – springs to life*

**We** at Wirecom are committed to address internal and external issues and meet the changing requirements of our customers and interested parties identified within our context through improvement in

- Quality enhancement,
- Customer satisfaction
- Cost efficiency through value addition & value engineering

so as to enhance sales, profitability and customer satisfaction on ongoing basis.

In this endeavor, we are committed to

- Comply with Statutory and Regulatory requirements
- Up-grade manufacturing technology and
- Continually improve effectiveness of our Quality Management System.

We are committed to satisfy Statutory, Regulatory and Other applicable requirements and continually improve Wirecom QMS.
